Direct debit procedure

Super On-line

We will directly debit your bank account, when AXA receives your contribution advice via Super On-line, for the payment amount and period as advised in your contribution advice and credit this amount to your plan.

If the direct debit fails because:

- there are insufficient funds in the nominated account, or
- the nominated account is closed

then AXA or your financial adviser will contact you to discuss the matter. Please ensure that your nominated bank account details are correct and there are sufficient funds in your account.

Automatic direct debit

We will directly debit your account for your payment amount at your selected frequency and credit it to your plan.

If the direct debit fails because:

- there are insufficient funds in the nominated account, or
- the nominated account is closed

and your plan is on monthly direct debit, we will directly debit two months' contributions in the next lodgement. If this is successful your plan will be up to date and lodgements will continue. If the double lodgement is not successful we will not attempt to lodge again and your plan will be sent a contribution advice directly.

If your direct debit fails and your plan is on a quarterly frequency, we will directly debit the contributions in the next lodgement. If this is successful your plan will be up to date and lodgements will continue. If the second lodgement is not successful we will not attempt to lodge again and your plan will be sent a contribution advice directly.
